

## DATA PROVISION

Web users have a right to obtain information about the personal data you hold about them and to request that it be corrected or deleted at any time. You have the ability to access the right options and to exercise these rights. A Data Subject Access Report ("DSAR") is a request made by consumers to access or have a copy of their personal data held by an organization.

At RocketFuel, you can email us your DSAR at **[support@rocketfuel.inc](mailto:support@rocketfuel.inc)**. We will verify and respond to your request per the applicable law.
